Corporate Social Responsibility

At the heart of **Udyogi foundation's commitment to community welfare** is the "Knowledge First" program. In its third year, this initiative has empowered 2,500 underprivileged children, supported school in Ganga Sagar & Sundarban areas by donating over INR 50 Lakhs for infrastructure projects.

Udyogi foundation also actively organises health camps for the children & provides necessary aids. Additionally, we organized a blood donation camp & engage in extensive environmental activities such as tree plantation drives, ensuring a sustainable future for all..
